EDUCATION

- Pursuing a Bachelor's degree in Computer Science, currently in the third year

PROFILE

As a detail-oriented and collaborative computer science student with a passion for front-end web development, I am continuously expanding my skills and staying up-to-date with the latest industry trends. My strength lies in problem-solving, and I am adept at utilizing HTML, CSS, JavaScript, Kotlin and UI/UX designer to create visually appealing and user-friendly web interfaces.

EXPERIENCE

INTERN (UI DESIGNER)

Designing digital experience that are both visually stunning and intuitive

Professional Goals

- Striving to become a full-stack web developer, leveraging my current front-end expertise to further expand my knowledge and proficiency in back-end development.

Interests

-I am eager to contribute my skills, enthusiasm, and dedication to a dynamic team focused on creating impactful web experiences. Connect with me to explore potential collaborations and opportunities in the field of web development.
